

WEEKLY UPDATE

12/11/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 57 residents and 30 staff members test positive for COVID-19. All of our staff is testing twice weekly.

We are now offering outdoor visitation by appointment. Call the facility at 864-232-5368 and speak to our activities department to schedule your appointment. We want to wish everyone a safe and Happy Holiday Season.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-232-5368

Sincerely,

Christmas Holiday Update

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. Our residents will be served a traditional Christmas Dinner. We will be listening to Christmas music and opening gifts all throughout the holiday season.

We are having window visits and facetime visits at this time. Unfortunately, we can not have outside visits at this time.

As a reminder, our cumulative number of cases to date are as follows: 57 residents and 31 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Magnolia Manor of Greenville, I wish you a happy and safe Thanksgiving.
