## WEEKLY UPDATE

**06/11/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility. We are continuing our monthly testing of our staff.

We truly appreciate your support, as we continue to take all necessary steps to prevent further spread of COVID-19. Hopefully, we can continue to see a decline in the COVID-19 positivity rates.

We will continue to conduct our indoor and outdoor visits, as well as the virtual visits/video conferences, as a way for you to physically see your loved ones. If you would like to schedule an indoor/outdoor visit, or a virtual visit/video conference, with your loved one, please contact Gina Epps or Aquanetta Mewborn, in our Activities Department at 864-232-5368. You can also write cards and letters and have window visits.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-232-5368

Sincerely,

*Tonya Bryant*
