**WEEKLY UPDATE**

**June 26, 2020**

Dear Residents and Families/Representatives,

As of today, 32 residents and 14 staff members have tested positive for COVID-19.

While we focus on stopping further spread of this virus in our facility by continuing to follow the recommendations of our health officials and practicing the enhanced safety measures we have previously reported to you, we also want to make sure our residents' daily routines are as normal as possible and that they get to see their loved ones! We're continuing to conduct virtual and window visits.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly (864)232-5368.

Sincerely,

*Ashley Lloyd, LNHA, BSW, MA, MHA*
