WEEKLY UPDATE

07/23/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

Please note that beginning August 1, 2021 we will no longer be posting weekly updates on our website. We will, however, continue to notify you through our website of any changes in visitation procedures and if we receive confirmation of a new positive case in our facility. We will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

Monday 06/21/2021 we started offering more visitation options. Families may visit residents in their rooms.

Monday-Friday 9:00am till 5:00pm

*all visitors must enter through the front door and be screened; surgical face mask is required.

Saturday and Sunday 10:00am till 2:00pm

*All visitors must enter the side door in the parking lot (East wing) and be screened; surgical face mask is required.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thank you for your support throughout this pandemic, and as always, if you have any questions or concerns please contact us directly at Magnolia Manor of Greenville 864-232-5362.

Sincerely,

Tonya Bryant
